

AMERI-TEC MECHANICAL

Ameri-Tec offers its clients a full array of professional heating, air conditioning, plumbing, solar and air quality services. With over 300 years combined industry experience among its employees, the quality of their workmanship is outstanding!

In 2008, they won the ABC Excellence in Construction Award, Reader's Choice Award for Best HVAC dealer (voted for by the residents of Lancaster County) and the Best of Lancaster in Heating by the U.S. local business award.

Ameri-Tec's award winning service department offers 24 hour service, 365 days a year for the residential, commercial and industrial markets. Ameri-Tec's certified technicians work on all makes and models of HVAC equipment including oil, gas and geothermal systems and our plumbing service offers well repair, and Water softeners etc. Many of Ameri-Tec's technicians live in the Adamstown, Denver and Ephrata areas which allows Ameri-Tec to service these areas efficiently.

The company is Green Advantage Certified which is the only other certification recognized by LEED (Leadership in Energy and Environmental Design) the rating system developed by the U. S. Green Building System. Ameri-Tec's designs are focused around energy savings, commitment to quality, and customer service which has resulted in the company growing by leaps and bounds.

Ameri-Tec was founded in 2005 by a group of employees who left Triangle Refrigeration Company. Mike Feo, President, runs the company along with managers, Chad Eberly, Bryan Eberly, Rodney Reider and Rick Steffy. All managers have worked in the field before being promoted.

Ameri-Tec is a dealer of the following brands Lennox, York, Amana and Apricus but sells and services all makes and models.

To learn more about Ameri-Tec, they will be part of the Lancaster Builder Show, March 20th through March 22nd, booth 14. You can also call 717-484-0345 or visit their website at www.ameri-tec.net. Service is available 24 hours a day. They are located at 2330 Dairy Road, Lancaster.
